SOME paint manufacturers play fast and loose with the word guarantee. The ordinary paint guarantee is not a guarantee of wear or purity or anything else, except something nice to hear.

The best guarantee we know about in paint is to have the formula plainly printed on each can. This protects you against cheap adulterations, made to sell instead of to wear.

For 77 years MASURY Paints have held their own in all climates and conditions. The formula is on every can for your inspection and protection. No fish oil or cheap pigment in MASURY Paints. Nothing but the best and purest pigment and linseed oil.

MASURY Paints are guaranteed to be absolutely pure and exactly according to the plainly printed statement of contents on the label. This protects you.

We recommend and guarantee MASURY paints to be pure and honest and right.
